The Center for Success in Aging
Memory Health Questionnaire

(Please provide the following patient information as accurately and completely as possible. Thank you.)

Today’s Date: ____/____/____  Patient Name: ________________________________  □ Male  □ Female
Date of Birth: ____/____/_____  Age: ___  What is your first language?  □ English  □ Other ______________
Who is the patient’s Primary Care Physician? ________________________________

Who is completing this questionnaire?  □ Patient  □ Family Member or Caregiver
(If a person other than the patient is completing the paper work, please provide the following contact information.)
Name: ________________________________  Relationship to patient? ________________________________
Phone: ___________________________ or ___________________________  Email: ________________________________
Mailing Address: ________________________________

What is the reason for this visit? ________________________________
What would be the primary goal(s) for this visit? ________________________________

History of Symptoms

1. Looking back, what symptoms were FIRST Noticed?
   □ Short Term Memory Decline  □ Attention/ Concentration
   □ Finding words/ Using wrong words  □ Behavior in social situations
   □ Understanding instructions or information  □ Doing things with hands-dressing, using tools
   □ Organizing, reasoning, problem solving  □ Other ________________________________

2. Looking back, WHEN were symptoms first noticed? ________________________________

3. How did it start?  □ Suddenly  □ Gradually  □ Don’t know/Not sure

4. Is it getting worse?  □ Rapidly  □ Slowly  □ Don’t know

5. Now, What OTHER Memory and thinking problems are present: Give examples
   □ Short Term Memory Decline ________________________________
   □ Finding words/ Using wrong words ________________________________
   □ Understanding instructions or information ________________________________
   □ Organizing, reasoning, problem solving ________________________________
   □ Attention/ Concentration ________________________________
   □ Social Behavior ________________________________
   □ Difficulty doing things with hands- drawing, writing, dressing ________________________________
   □ Difficulty seeing things appropriately ________________________________
6. Have any of the following **changes** in the usual behavior been present during the course of the illness?
   (Check all that apply.)

<table>
<thead>
<tr>

**Medication History**

**Allergies:** Please list any drug or food allergies and describe the reactions.

________________________________________________________________________________________

**Please bring all bottles of medications, vitamins, and supplements to the appointment.**
Medical History

Please check all that apply.

**Heart / Cardiovascular**
- Depression
- Post Traumatic Stress Disorder
- Bipolar Disorder
- Angina/chest pain/chest pressure
- Atrial Fibrillation/Irregular heart beat
- Cardiac Bypass procedure
- Pacemaker/Defibrillator
- Stent or Balloon placed in blood vessel
- High blood pressure
- High cholesterol
- Congestive heart failure

**Brain and Nervous System**
- Hearing loss
- Vision impairment
- Emphysema, COPD
- Diabetes
- Kidney Disease
- Lupus, Rheumatoid arthritis
- Vasculitis, Temporal Arteritis
- Cancer
- Thyroid
- Anemia
- B12 Deficiency
- Obstructive Sleep Apnea
- Infections: Lyme disease, AIDS, syphilis, etc.

**Additional Health Concerns**

**Mental Health**
- Schizophrenia
- Anxiety

**Hospitalizations, Surgeries, and Skilled Nursing Home Facility Visits**

Please list all surgeries, visits to hospitals, and visits to skilled nursing facilities within the **last 5 years**.

**Total Points ______**
Instrumental Activities of Daily Living

Read the group of statements under each category and circle ONE number that best describes the current highest level of functioning.

A. **Ability to Use Telephone**
   1. Operates telephone on own initiative, looks up and dials numbers......................1
   2. Dials a few well-known numbers.............1
   3. Answers telephone, but does not dial......1
   4. Does not use telephone at all ..................0

B. **Shopping**
   1. Takes care of all shopping needs independently.................................1
   2. Shops independently for small purchases...........................................0
   3. Needs to be accompanied on any shopping trip................................0
   4. Completely unable to shop.........................................................0

C. **Food Preparation**
   1. Plans, prepares, and serves adequate meals independently..............................1
   2. Prepares adequate meals if supplied with ingredients..................................0
   3. Heats and serves prepared meals or prepares meals but does not maintain adequate diet..........................................................0
   4. Needs to have meals prepared and served...........................................0

D. **Housekeeping**
   1. Maintains house alone with occasional assistance (heavy work).......................1
   2. Performs light daily tasks such as dishwashing, bed making............................1
   3. Performs light daily tasks, but cannot maintain acceptable level of cleanliness.....1
   4. Needs help with all home maintenance tasks.............................................1
   5. Does not participate in any housekeeping tasks...........................................0

E. **Laundry**
   1. Does personal laundry completely....................1
   2. Launders small items, rinses socks, stockings. Etc. .......................................1
   3. All laundry must be done by others..............0

F. **Mode of Transportation**
   1. Travels independently on public transportation or drives own car......................1
   2. Arranges own travel via taxi BUT does not otherwise use public transportation.....1
   3. Travels on public transportation when assisted or accompanied by another.........1
   4. Travel is limited to automobile or taxi with assistance of another....................0
   5. Does not travel at all......................0

G. **Responsibility for Own Medications**
   1. Is responsible for taking medication in correct dosages at correct time..............1
   2. Takes responsibility if medication is prepared in advance in separate dosages.......0
   3. Is not capable of dispensing own medication.............................................0

H. **Ability to Handle Finances**
   1. Manages financial matters independently (budgets, writes checks, pays rent and bills, goes to bank).................................................................1
   2. Manages day-to-day purchases but needs help with banking, major purchases, etc........1
   3. Is incapable of handling money..............0
